Hartlepool, Vision Retail Park

Costa Coffee opens drive-thru

M7 Real Estate announce that Costa Coffee have opened a purpose-built drive-thru unit on Vision Retail Park.

The 1,800 sq ft unit is the third Costa Coffee in the town, but the only drive-thru and their Facebook page shows how popular it has become.

Negotiations are under way for other units on the retail park which has recently been refurbished.

Gregory Moore Property and LSH acted for M7, and Colin Atkinson acted for Costa Coffee.
