Frank's take a new ten year lease

The landlord of St James Retail Park has granted a new lease to Frank's the flooring store.

Frank's started trading from Unit 2 in 2011. The 10,000 sq ft unit will be refitted to the latest store format after a new ten year lease was agreed. Frank's will have the ability to break the lease after five years.

Gregory Moore Property and Harvey Spack Field advised the landlord, and Frank's were represented by @retail.
