

10 November 2021

**Norwich, Longwater, William Frost Way**

**Aldi's planning permission issued**

Aldi's planning application for a 1,966 sq m (21,161 sq ft) store with 112 car parking spaces was approved by South Norfolk Council in April 2021, and the permission has now been granted following extensive discussions about surface water drainage.

Handover will be in January 2022 when vacant possession is obtained. The construction timetable is to be confirmed, but the new store will open in 2022.

Neil Perrin of MP Real Estate advised Aldi, and Gregory Moore Property advised the landowner, Citygate Developments Ltd, on the conditional sale.
