to allow Greggs to open by Christmas**

Threadneedle have instructed contractors to progress the sub-division of the 6,000 sq ft former PoundWorld unit. The smaller unit of about 2,000 sq ft is to be occupied by Greggs who will open their third store in the town. Handover is in mid-November and the new cafe will be open by the end of the year.

The adjoining unit of about 4,000 sq ft is under offer.
